Dear Parents, Teachers and Alumni,

Have you ever wanted to speak with more confidence, express your ideas more effectively, or become a stronger leader? Here's your chance to take the first step!

We are excited to announce the launch of **a new term** of The Oak Society Toastmasters Club at Saint Joseph School, founded and operated by the SJS Alumni Association. This initiative is open to the entire community, bringing together a diverse group of people who value their self-development.

Toastmasters International is a globally recognized organization with over 360,000 members in 140+ countries, providing a structured and friendly platform to help individuals build confidence, refine their speaking abilities, and develop leadership skills.
