Introducing The Oak Society Toastmasters Club

November 16, 2026

Dear Parents, Staff and Alumni,

We are pleased to share with you an initiative by The Oak Society Toastmasters Club, founded and operated by the SJS Alumni Association.

Toastmasters offer a supportive and engaging environment where individuals can develop essential communication and leadership skills.

The club welcomes parents, alumni, teachers, and members of the wider community aged 18 and above.

You are invited to attend the Club's Open House on Monday, November 23, at 7:30 pm, at the Saint Joseph School Auditorium, to discover more about the program and experience a Toastmasters meeting.

Please find attached the club's invitation, which provides further details about the initiative and how to get involved.

Sincerely,
The Administration
